SUPPLEMENTARY INFORMATION:

I. Public Comment Procedures

A. How Do I Request Copies of Applications or Comment on Submitted Applications?

Send your request for copies of applications or comments and materials concerning any of the applications to the contact listed under **ADDRESSES**. Please include the **Federal Register** notice publication date, the PRT-number, and the name of the applicant in your request or submission. We will not consider requests or comments sent to an email or address not listed under **ADDRESSES**. If you provide an email address in your request for copies of applications, we will attempt to respond to your request electronically.

Please make your requests or comments as specific as possible. Please confine your comments to issues for which we seek comments in this notice, and explain the

basis for your comments. Include sufficient information with your comments to allow us to authenticate any scientific or commercial data you include.

The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) Those that include citations to, and analyses of, the applicable laws and regulations. We will not consider or include in our administrative record comments we receive after the close of the comment period (see **DATES**) or comments delivered to an address other than those listed above (see **ADDRESSES**).

B. May I Review Comments Submitted by Others?

Comments, including names and street addresses of respondents, will be available for public review at the street address listed under **ADDRESSES**. The public may review documents and other information applicants have sent in support of the application unless our allowing viewing would violate the Privacy Act or Freedom of Information Act.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*), along with Executive Order 13576, “Delivering an Efficient,

Effective, and Accountable Government,” and the President’s Memorandum for the Heads of Executive Departments and Agencies of January 21, 2009 - Transparency and Open Government (74 FR 4685; January 26, 2009), which call on all Federal agencies to promote openness and transparency in Government by disclosing information to the public, we invite public comment on these permit applications before final action is taken.

III. Permit Applications

Endangered Species

Applicant: U.S. Geological Survey, National Wildlife Health Center, Madison, WI; PRT-06408C

The applicant requests a permit to import biological samples for all wildlife species, both of wild-origin and captive-held or captive-bred for the purpose of scientific research. This notification covers activities to be conducted by the applicant over a 5-year period.

Applicant: Cheyenne Mountain Zoological Park, Colorado Springs, CO; PRT-06157C

The applicant requests a permit to import one live male captive-born amur leopard (*Panthera pardus orientalis*) from JCS Livestock, Berks, United Kingdom, for the purpose of enhancement of the survival of the species. This notification covers activities to be conducted by the applicant over a 5-year period.

Applicant: Tiger World Inc., Rockwell, NC; PRT-97961A

On June 3, 2016, we published a Federal Register notice inviting the public to comment for an application for permit to conduct certain activities with endangered species (81 FR 35792). We are now reopening the comment period to allow the public the opportunity

to review additional information submitted to amend of their captive-bred wildlife registration under 50 CFR 17.21(g) for the following species to enhance species propagation or survival: African lion (*Panthera leo*), black-and-white ruffed lemur (*Varecia variegata*), ring-tailed lemur (*Lemur catta*), red ruffed lemur (*Varecia rubra*), mandrill (*Mandrillus sphinx*), lar gibbon (*Hylobates lar*), clouded leopard (*Neofelis nebulosa*), leopard (*Panthera pardus*), snow leopard (*Uncia uncia*), Galapagos tortoise (*Chelonoidis nigra*), and radiated tortoise (*Astrochelys radiata*). This notification covers activities to be conducted by the applicant over a 5-year period.

Multiple Applicants

The following applicants each request a permit to import the sport-hunted trophy of one male bontebok (*Damaliscus pygargus pygargus*) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Applicant: John Ferguson, Colorado Springs, CO; PRT-04220C

Applicant: Carl Leukefeld, Lexington, KY; PRT-08238C

Applicant: Todd Timm, Clifton, VA; PRT-08151C
